

# A WELL-DESERVED RESERVED PARKING SPOT

There's a nationwide effort in the game of golf to show appreciation to veterans.

One such successful program is PGA HOPE (Helping Our Patriots Everywhere). Others include The VA Amputee First Swing/Next Step, Folds of Honor, and a Wounded Warriors family support program that is second to none!

Our photo here at Bensalem Township Country Club, in Bucks County, PA shows one of the many new parking spots springing up, not only at golf courses, but at shopping malls and more. Pictured is one of the club's members, Al Settembrino, USMC Sgt. who served from 1963 to 1967 in Vietnam, who will take advantage of a designated space. During his two tours of duty, Al was twice wounded and is a Purple Heart recipient.

Welcome home, Al, and thanks for your service. Semper Fi.

*Our thanks to BTCC head pro Jim Bogan, office manager Kelly Newhouse and Dawn Davis from Bensalem Township Office for coordinating this wonderful effort with the Wounded Warrior family support staff.*

THANKS FOR YOUR SERVICE
